Requests to place items on the agenda must be submitted in writing with an explanation to the District Manager at least fourteen (14) days prior to the date of the meeting. The fourth section is called **Consent Agenda**. The Consent Agenda section contains items that require the review and approval of the District Board of Supervisors as a normal course of business. This section allows the District Administrator, Engineer, and Attorney to update the Board of Supervisors on any pending issues that are being researched for Board action. The sixth section is called **Supervisor Requests**. This is the section in which the Supervisors may request Staff to prepare certain items in an effort to meet residential needs. The final section is called **Audience Questions, Comments and Discussion Forum** portion of the agenda is where individuals may comment on matters that concern the District. Public workshops sessions may be advertised and held in an effort to provide informational services. These sessions allow staff or consultants to discuss a policy or business matter in a more informal manner and allow for lengthy presentations prior to scheduling the item for approval. Typically, no motions or votes are made during these sessions.
